Sunshine Coast Naturally Refreshing

From our complex Biosphere in the north, to iconic Glasshouse Mountains in the south; the Sunshine Coast boasts an array of spectacular beaches and hidden treasures. Naturally a favourite with leisure tourism, the Sunshine Coast is now home to Queensland's newest Convention Centre.

Fringed by the river and ocean, Twin Waters is surrounded by nature with bushlands and native wildlife. Our coastal position benefits from sea breezes and a subtropical climate creating ideal temperatures year round, from 15 to 25 degrees in Spring and 17 to 32 degrees in summer.

Explore the relaxed local lifestyles from beach to bush with day trips and excursions to famous landmarks and attractions like Australia Zoo (home of the late Steve Irwin), Aussie World or get off the beaten track and hike Mt Coolum or Kondalilla waterfalls. Discover miles of untouched beaches or be immersed in the hive of activity at the famous local markets, including Australia's premier artisan market, the original Eumundi Markets.

Located perfectly to help you curate a memorable event!

Let us show you the *Wonder full*

The Sunshine Coast's (most versatile, unique, adaptable, and capable) event destination.

The Sunshine Coast Convention Centre is the ultimate conference and event destination, located within the natural beauty of bushland and beach at the award winning Novotel Twin Waters Resort*.

With fresh air and fresh ideas, we offer a flexible new way to conference. We curate unique experiences which are outside the box. Together with our industry partners, we creatively integrate indoor and open space, team activities, world class technology and services to deliver **wonder full** experiences and smart business outcomes.

Ideal for residential conferences of 15-1,500 guests, tradeshow that require more than 3,000 square metres of exhibition space, or events that can take advantage of the unique versatility of our outdoor space. The resort accommodation and facilities can host more than 800 guests in a truly inspiring environment, ensuring every delegate is connected and engaged.

The diverse range of outdoor space, atmosphere and venues deliver every guest a unique blend of optimism, motivation and creativity. This is not your average conference centre, step outside the box.

Picked with pride

Taste the Sunshine

The Sunshine Coast is renowned for freshness and the unique flavours of our regional produce, we proudly support local farmers and suppliers and source the best seasonal produce from throughout this beautiful region.

We pride ourselves with a 'paddock to plate' and 'boat to buffet' commitment, whilst our culinary team ensure a genuine focus on health, wellness and sustainability.

Every dish is meticulously created, prepared and served with consistent purpose for dining excellence offering choice, healthy ingredients and quality produce for guests.

Unique events are our specialty and we savour the opportunity to delight guests by creating special events like beachside breakfasts, pop up food stalls, local culinary experiences or healthy meeting breaks.

Our team will provide a range of menu choices or tailor each menu to the event while catering for special dietary requests and requirements.

Your guests will be delighted by the deliciousness of contemporary Australian cuisine, thoughtfully prepared by renowned Executive Chef, Murray Paterson and our talented culinary team.

With 30+ years of five-star experience, Murray completed his apprenticeship at the Sydney Opera House before embarking on an international career. He is passionate about award winning local produce and loves our local providores, his food philosophy forms the inspiration for every menu.

"Our seafood is fresh off the trawlers, our berries hand picked from the vine and our cheese matured in style on the Sunshine Coast."
